PROGRAM STATEMENT

Introduction

Lawson Manor, a Community Based Residential Facility (CBRF), is owned and operated by United Pioneer Home, Inc. Lawson Manor is an essential part of the continuum of care located on the United Pioneer Home campus at 625 South Second Street in Luck, Wisconsin.

Our facility is designed to enhance your independence and quality of life. There is qualified staff on-site 24 hours a day. A Registered Nurse (RN) consultant coordinates resident cares and ongoing training for the caregivers; the RN is available on call 24 hours a day. The manager or their designee will also be available 24 hours a day.

Our Facility

Lawson Manor is located on the United Pioneer Home campus, with several services provided by United Pioneer Home. There is a private entrance and separation between the CBRF and United Pioneer Home.

Size: Lawson Manor is licensed for 16 residents.

Facility Classification: Class CNA, this means our facility may serve residents who are ambulatory, semi-ambulatory or non-ambulatory, but one or more of whom are not physically or mentally capable of responding to an electronic fire alarm and exiting the facility without help or verbal or physical prompting.

Resident Group Served: Lawson Manor will serve those who are elderly, age 62 or older, and are in need of some assistance and supervision with activities of daily living (ADL's) and/or medication management and administration. Lawson Manor includes care for residents who need assistance with walking, assistive devices such as canes or walkers, and who rely on wheelchairs.
